

## LAZ Event Group COVID-19 Services

### LAZ PreScreen

LAZ ambassadors can help with prescreening and temperature checks at key points of entry to ensure the safety of event guests.

### Cleaning and Disinfecting Services

Event-specific cleaning and disinfecting schedules and 24/7 staffing trained in CDC-recommended cleaning and sanitizing guidelines.

### Touchless Mobile Payments

LAZgo text and app payments will allow customers to pay from their phones without touching a machine or interacting with staff.

### Safety Screenings

Safety ambassadors can manage everything from checking bags and credentials to line control and monitoring the area for potential safety hazards.

### Additional Revenue Generation

We can help repurpose unutilized spaces and design the perfect layout for parking and pedestrian movement.

### Operational Layout Design & Consultation

Our experts are on hand to help design transportation routes and plans, while maximizing the parking layout and importance of social distancing.

### Concierge Ambassadors

Concierge ambassadors are dependable, experienced and highly-trained to assist with social distancing, traffic control or questions from event attendees.

### Rental Options

Let us worry about the logistics! We can rent, install and monitor magnetometers or provide golf cart services at your next event.
